In the still of the night the voices and footsteps of the absent students will always echo through the empty halls.

Hail All Hail Hobart High School

The deserted gym holds many fond memories of losses and victories.

This view of our cafeteria signifies the end of a very busy day.

Each day the popular lobby was filled to capacity with students from all classes.

Shown at left are students pledging their allegiance to our nation's flag. Each convo was opened with a show of student patriotism.

We Students True

A bird's eye view of our school in the early morning shows students waiting for the eight o'clock bell to ring.

Students supported their team and the athletic department by enthusiastically buying tickets to football and basketball games.

The scholastic standing of our school was backed by the students' spending many of their lunch hours in the library.

Pledge Thee Our Love and Give Support to You

"Yeah, man!" Yelled the energetic seniors in support of their class at a third hour homeroom pep session. Roll call was a popular cheer this year.

All students rose and sang the school song after the team made another touchdown. This was sung after all touchdowns and the students never got tired of singing it.

The A Cappella girls often attended early morning sectional rehearsals. The girls in the soprano section are shown above as they practiced for their part in the Thanksgiving program.

A group of Seniors, wearing their class sweaters, paused for a picture in the schoolyard at the beginning of their lunch hour.

Our Alma Mater

Seniors worked hard and long on their class float. It came in second in the judging, but the seniors were extremely proud of it.

DEAR HOBART HIGH

Classroom and Faculty

Support to the teachers and the academic courses came from industrious students as they worked to earn scholastic honors. Classrooms were made interesting with field trips, movies, and thought provoking discussions. Our faculty expanded to meet the increased number of students. Classes met on the stage, in the cafetorium, and during both noon hour periods until the opening of the new wing, which gave us new facilities.

Hobart's 1962-63 Administration Advised City Schools

Mr. Arley Kerr, Superintendent of Hobart City Schools, was responsible for all school affairs. Mr. Kerr graduated from Ball State College with a B.S. degree. He received his M.S. from I.U.

Two other administration members were Mr. Wise and Mr. Norris. Mr. Wise, left, is the Director of Student Personnel, and Mr. Norris, right, is the Assistant Superintendent of Schools.

The Hobart School Board consisted of—from left to right—Mr. Harrigan, Mr. Hamilton, Mr. Dudley, Mrs. Briggs, and Mr. Elliot.

on Student Management

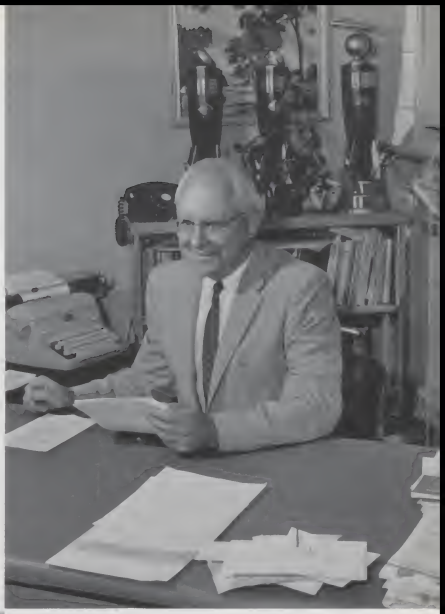

Seniors:

Young people who are graduated today from secondary schools find themselves facing challenges unequalled in modern times. Those who are courageous, willing, and well-prepared will be able to meet most of these challenges successfully. Those who lack these traits will have trouble.

The space age opens doors to thresholds as fantastic as those encountered by Columbus. By the time you have reached your most productive years, the world in which you live will be vastly different from the one which has nurtured you this far. Changes in social living, economics, business and industry, and international affairs will themselves be considerable, but the unfolding of the mysteries of the planets and stars will be even more vast.

The world of the future, which you now enter and begin to meet, will be one of adventure, of challenge, and of unbelievable accomplishment.

Good Luck.

Dear Class of '63.

"Service above Self" is a motto I wish to recommend to you.

Those of us who have been preparing you for life in the past years have stressed the importance of realizing that tomorrow you cannot solve the problems you will meet with wisdom and understanding unless you do have knowledge. I would like to suggest that worthwhile knowledge is the best solution of mankind's problems.

To serve is to work, to help, to use one's talents for others.

Service should be rendered in ever widening circles: To the individual—minister to his physical needs and intellectual development. Make it possible for him to realize his maximum potentialities and to strive for the worthier values of life.

To the community—give your time and abilities where there is need in community organizations—church, school, hospital, youth groups, government.

To the nation and the world—make the effort necessary to be an informed citizen, standing for your beliefs and working for the goals you have for your country and world.

Yes, practice this giving of yourself to others and so find true happiness in service.

OFFICE PRACTICE—Miss Hopp checks Carol Mikolajczyk's and Toni Banaski's shorthand with the book while the advanced shorthand class types letters from dictation.

Business courses provided attractive training for future business leaders. The wide range of courses offered in this field were taught by qualified business teachers.

Typing is a business subject that would most likely be of use sometime in the life of the student. Some teachers insisted that term papers be typed. This is true in college as well as in high school. Typing would also be of use in other subjects. Personal typing was favored by many college bound students. Personal typing gave enough training for school use also.

Shorthand was a must for those students entertaining prospects of secretarial careers. Shorthand could also lighten the note taking load at college. Notehand would also be an asset to the college student. This was a one semester course which shortened and simplified shorthand.

Bookkeeping was also a practical course to add to a schedule. There is also a need for neat, accurate records and budgets. Office practice brought to the student a knowledge of office machines.

General Business is a subject that is useful to everyone. It educates the student in the basic principles of business. Business courses stressed the drive for speed and accuracy which is so important in today's business world. Dedicated, qualified leaders are always needed in this field.

Business law and Business English are essential courses for a student planning to enter Business College. Business English is offered first semester and Business law is offered the second.

Expansive Knowledge Expressed for Future Business

SHORTHAND—Miss Todd demonstrates, to her office practice class, the round element in the new typewriters which replaced the round keys in the older modeled machines.

BOOKKEEPING—Mr. McGuire's bookkeeping class paid close attention as he showed Wayne Carpenter the explanation of a business term.

Leaders to Form a Bigger, Better Business World

TYPING—Mrs. Wise demonstrated the proper placement of the fingers on the keys during a first year class.

GENERAL BUSINESS—Bank functions and how they affect the average person are explained by Mr. Hunt in his General Business class.

Proper training in the principles of our language forms the basis of our future citizenry. English is the basic factor in language training. The English Classes promoted the use of better grammar and literature. Many different periods in literature were studied. Some of these periods were: Anglo-Saxon period, Medieval period, Elizabethan Age, Seventeenth Century, Eighteenth Century, Romantic Age, Victorian Age, and Modern Age. Studies were made about the lives and works of great authors in each of these periods.

The beginning speech students were taught the art of public speaking including the proper voice inflections for effective delivery. The students in first year speech delivered many different speeches on a variety of subjects. Debates and round-table discussions were also included in the beginning speech program. Graduates of the year speech class may enroll in the dramatics class. This class studies stage production, set design, acting techniques, and make-up. The dramatics class produced "Papa Is All," in the spring of 1963.

The Journalism Classes' goal for the year of 1963 was to make the Annual, and the Ho-Hi-Life Newspaper interesting and a great success. The Newspaper staff presented the school news accurately and colorfully. Many hours were spent outside of class by the Yearbook Staff and Newspaper Staff to achieve their goal.

ENGLISH—Mrs. Rosenthal explained the meaning of a poetry selection to Jim Sable and Kathy Ryba.

'63 Language Arts Were Proven to Be Significant As

JUNIOR ENGLISH—The English class listened carefully as Mrs. Koch gave them their next assignment in Junior Grammar.

ENGLISH—Marianne Hudson asked a question as the rest of the class distributed their English workbooks.

Stiffer Curriculums Included Many Essential Divisions

ENGLISH—Miss Holladay showed Tylla Harrell and Bruce Milne how adverbial clauses are used in magazines.

ENGLISH—Mrs. Deal aided Mike Grdgon, Edwina Beers, Donna Wood, and Dick Missal in their group discussion.

SPEECH—Alex Ballantyne delivered a speech to his speech class. It was the class' prerogative to offer criticisms after he was finished.

DRAMATICS—In Dramatics class Russ Kraft, Gloria Knocke and Diane Halverson performed a pantomime.

Well Informed Student Body Influenced Government

JOURNALISM—New ideas promote better work. The Journalism classes compared ideas to create better copy for the '62-'63 editions.

A CAPPELLA—"Louder"—directed Mr. Benson. The A Cappella Choir responded as they practiced for their approaching Christmas Concert.

BAND—The Band practiced for their approaching concerts. Their hard work paid off in the musical concerts they produced and in the knowledge gained.

Interest and Appreciation in Fine Arts Was Expanded

The fine arts classes brightened the 1962-63 school year with their contributions in the fields of music and art. The A Cappella Choir, directed by Mr. Benson, provided many vocal entertainment programs during the school year. The Treble Choir and A Cappella Choir produced an excellent Christmas Concert for the year. Proceeds from the Christmas Concert were used by A Cappella toward the purchase of new robes. The choirs' fund raising project consisted of selling candy. Each member was expected to sell thirty boxes each. The money made from this candy was also used toward the new choir robes. The A Cappella directed the musical play, "Bye Bye Birdie" the ninth, tenth and eleventh of May, 1963. During the Christmas Season the A Cappella produced their annual caroling program in the H. S. halls. This program was fast becoming a pleasant tradition at Hobart High School.

The Hobart Band, under the direction of Mr. Robert Webb, provided instrumental musical entertainment in convocations and concerts during the school year. The pep band also added to football and basketball games with stirring victory music.

The Art classes made generous contributions of their time and talent to the High School. During the Christmas Season they decorated the lobby windows with the Holy Mother, her Child and other nativity attendants.

ART—Mrs. Cicak joined students in making artistic creations. The art classes learned to make pleasing color arrangements.

GERMAN—Pamphlets, books, and posters, aided German students in their study of a difficult language.

GERMAN—Mrs. Cicak assisted Bill Ball, Jim LaFever, Dwight Mathis, Lee Shirey, and Ray DeMeyer with German conjugations.

The Comprehension of Foreign Languages Affects

LATIN—Hobart High's Latin teacher, Mr. Black, observed his class as they studied noun declensions.

LATIN—Maps and posters filled the Latin bulletin boards with interesting information.

SPANISH—Spanish students took their turn at the efficient lab material provided for them in the new wing. They were able to hear their personal speaking voice through the earphones.

SPANISH—Gloria Knocke smiled at her classmates as she followed Mr. Neff's directions. The class was celebrating Gloria's birthday.

the Understanding and Agreements Between Nations

LIBRARY—Mrs. Bailey flashed a smile for the camera as she paused from her daily work of filing new books and cards.

The German and Spanish classes made superb use of the excellent facilities provided for them in the language lab in the new wing. The new wing was open in December of 1962 and relieved the crowded conditions that were present in the High School this year due to the large Sophomore class. In the lack of facilities causing cramped quarters, before the opening of the new addition, the Latin classes were conducted on the stage. Despite the evident hindrance and inconvenience in environment, Latin students carried out their classroom activities to gain honors in the contests.

Hobart High School was indeed fortunate again this year to have a well-qualified, efficient, and helpful librarian, Mrs. Bailey. Mrs. Bailey attended Ball State College and Purdue University and obtained her A.B. and M.S. degrees. She attended summer classes in order to finish work on her library science degrees. Mrs. Bailey decided that she preferred library work to teaching after she was employed as a partime librarian. When she began her career she was qualified to teach English and history. Any student who used the library found that Mrs. Bailey was always on hand to answer their questions and direct them in its use. Mrs. Bailey had many other duties as our librarian. She ordered all new books. She did this with the help of recommendation from the department heads and students. Mrs. Bailey ordered all textbooks and distributed them upon arrival. Her year's work included marking and cataloging new books, keeping circulation records, and sending out notices on over due books.

PHYSICS—Under the watchful eye of Mr. Senderak physics students toiled industriously at one of his tests.

Science in Hobart High was divided into two categories: elementary and advanced.

Biology was the first step in the science curriculum. All students were required to take this class in their sophomore year at Hobart. Biology, the study of life, devotes the students' studies to the fundamentals of plants and animals. The students learned the characteristics, reproduction, and commercial usage of both. A period of dissection was included in the second semester activities.

Second year biology explored a more detailed study of animal life; from the lowest protozoa to the human animal. The second year students used microscopes in the study of the lower animals.

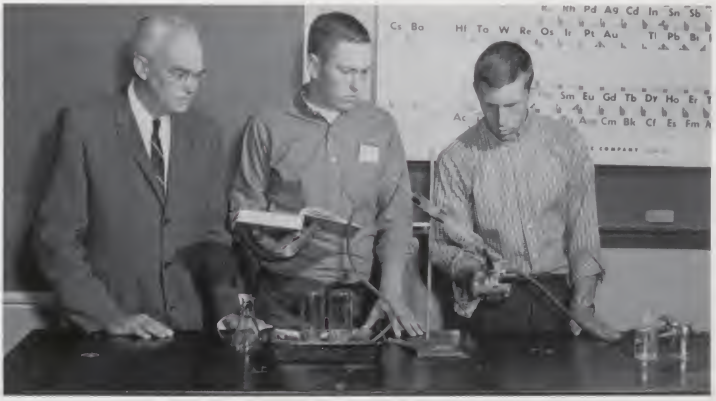

Chemistry was the next step. The Chemistry student learned the essentials of Science: Atom structures, valences, and chemical mixtures are studied. Students also performed experiments and demonstrations concerning chemical reactions.

Physics was the last step at Hobart. This was the most advanced of the courses. Physics combined Physical Science with Math in the form of different formulas and equations. The students learned about types of matter, the many forces of nature which act upon this matter, and how this matter reacted.

The curriculum at Hobart High School required only one year of science to graduate but many students went on to study a science course every year.

With the addition of the new wing to the high school the biology classes gained a new room along with new equipment. The equipment consisted of new high and low power microscopes, tables, and other necessary facilities to promote the study of science.

Ever Changing, Challenging Field of Science Became

CHEMISTRY—Water displacement was the subject of a lab experiment performed by Jeff Pence and Jim Boatright as Mr. Hamman advised them.

ADVANCED BIOLOGY—Lloyd Lewis demonstrated the functions of a frog's organs, on a cut-away model in his Advanced Biology class.

Chosen Career Choice of Many Capable Students

BIOLOGY—Mr. Cope pointed out the difference between a dog's skull and a human's to his class.

BIOLOGY—Mr. Bigler, beginning Biology teacher, showed Cindy Sheptack and Pam Sandilla what type of cell they saw through the microscope.

GOVERNMENT—Mr. Trammel instructed Dave Kietzman in the proper voting procedure as Steve Rettig awaited his turn to vote.

PSYCHOLOGY—Mr. Davis defined psychology terms for the class as Bob Sowinski checked with the book and Kent Smith observed.

Social Studies Explored the Past to Bring Better

WORLD HISTORY—Pat Metzler and Dave Johnson enjoyed the interesting pictures of the wonders of the world in World History class.

U. S. HISTORY—Bruce Story selected an important city in the United States as Diane Benka checked the accuracy of the location.

LATIN AMERICAN HISTORY—Rich Young read an interesting article from a current magazine during Mr. Scarborough's Latin American History class.

Student Understanding of Today's Modern Problems

Hobart High School requires two years of social studies. Junior students took the first of these two years when they studied U. S. History. Juniors were taught the past of America through the use of textbooks. maps, lectures, and descriptive magazines.

Government was a required senior course. During the year seniors learned about all the departments of our federal, state, and local governments. Passing laws, voting, and petitions were studied.

One of the many elective history courses was World History I, II. Students were taught the achievements and growth of man from his very beginning. Latin American History is a course not offered at many high schools, but which was available at Hobart this year. During this one semester course students studied the history of Central America and its affects on the United States. Asian-African History was still another new course. The dark continent of Africa and the large continent of Asia were studied in this class.

Economics was also considered a social studies course. In this class the economic development of the United States was closely observed. Sociology and Psychology were two additional one semester courses offered. They both dealt primarily with the advancement of man and his adaptations to changing times. In psychology students probed man's subconscious to find out why he thinks and acts as he does. Sociology explored the world of man's social environment and acceptances.

Communism was a part of the senior government course which was taught for the first time last year. Students were taught about the Communists and their government.

UNITED STATES HISTORY—U. S. History events were explained in detail by history and government teacher, Mr. Edquist.

GEOMETRY—In Geometry Wayne Carpenter demonstrated what is meant by the theorem, "Verticle angles are equal," while Mr. Reed stood by.

Hobart Maintained Ever Progressive Math Department

ALGEBRA—Mr. Dean handed back the graded test papers during his advanced algebra class.

Mathematics is a demanding field that grows as need enlarges. Hobart High was proud to boast of a well organized mathematics department this year. All phases of math were taught by qualified teachers. The aim of the department was to train students to take their places in mathematical fields or to use the fundamentals in later life. Most of the sophomores took Geometry. In geometry students learned logical thinking by studying projects and working with constructions. First semester students worked with straight lines, circles, and triangles. Material for the second semester included arcs and regular polygons. Third year math was Algebra III-IV. During the first semester first year algebra was reviewed with new concepts added. Graphing and square roots were also studied. In the next semester students explored the world of slide rules, logarithms, and combinations. Seniors were given the chance to finish their high school math career with solid geometry and trigonometry. Trigonometry dealt with the finding of angles and distances. It combined math with science and engineering.

In Trigonometry a great many identities were included and more attention was given to correlating the algebraic and trigonometric solutions of equations. It provided an admirable training ground in which to develop ability and skill in the accurate use of tables. To maintain the enthusiasm of the student, the teacher had to present mathematics in a manner which would arouse their interest and which would enable them from the outset to glimpse the value and fascination of the subject.

TRIGONOMETRY—The students from Trigonometry class engaged in a pleasant classroom activity. Ron Draves figured position by degrees from the sun, Sue Helm classified the material, and Linda Pendleton and Dave Smith confirmed the information.

Mr. Kurth, coach of the track and cross country team, was Athletic Director at Hobart.

Physical Education was a welcome change to a student from the academic curriculum. It provided needed exercise while building healthy bodies. Physical Education also developed personalities by teaching good sportsmanship and showing students how to get along with others in work and play.

Miss Reisinger, the girls' gym teacher, and Mr. Kurth, the boys' instructor, along with student assistants guided their classes in such activities as basketball, baseball, kickball, wiffleball, soccer, tumbling, deck tennis, and volleyball.

Included in the tumbling session of Phys. Ed. was an introduction to the basic features of the trampoline and its correct usage. The girls mastered simple feats such as the back drop, front drop, seat drop, and knee drop. The boys, however, moved on to learn flips and other more advanced activities.

All sophomores at Hobart took a year of Phys. Ed. as one credit of it was required for graduation. Those girls who had a B average and wished to continue taking gym could become student assistants. These students helped Miss Reisinger in taking roll and organizing various sports and games.

Vigorous exercises, running laps, sports, stunts, and skill tests in various subjects were all part of the physical fitness program which was offered at H.H.S. This program agreed with and followed President Kennedy's program for the Physical Fitness of the youth of the United States.

During the halftime at the girls' in and out game the girls showed their abilities learned in gym by performing on the trampoline and doing some tumbling skits.

Physical Education Supported President's Program

PHYSICAL EDUCATION—During warm weather the boys' gym classes played baseball in the Little League Field across the street from the high school.

PHYSICAL EDUCATION—Practicing the pyramid from top to bottom were Carol Tarbutton, Shirley Ringman, Karen Mueller, Eileen Kaiser, Diane Timpe, and Sandra Carry. Miss Reisinger assisted as "spotter."

HOME ECONOMICS—Home Ec. Teacher, Mrs. Hevel, smiled in approval as Joanne Missal demonstrated a difficult stitch on the sewing machine. Also shown are Darlene Ward, Charlene Teague, Paula James, and Melody Stults.

Home Economics Courses Prepared Future Housewives

Home Economics, unlike a few years ago, was now more than just a cooking and sewing course. To future wives and mothers there were many other skills that must be mastered to make their homes happy ones. How to balance a budget was an important part of the preparation for married life. What colors to choose for furnishings was another essential skill.

Then as the family grows the much studied lessons in Home Nursing and Child Care can be put to use.

In the well planned Home Ec. classes the students were taught all this plus the important essentials: cooking and sewing.

During the cooking courses the girls learned to make enticing meals and to serve them properly. The girls were taught the proper way to measure and mix ingredients and to cook the finished product. Purchasing food economically and planning meals were also studied in the Foods course.

Sewing is an important part in a girls' life, even before marriage. A knowledge of material, colors, and a skill in constructing them into a fashionable piece of clothing, could make a girl's dream of a beautiful wardrobe come true. But most important they learned how to make their own clothes professionally and inexpensively.

The Home Economics classes maintained a display case at their end of the hall. Numerous projects throughout the year were displayed by different groups of girls in the case. All girls were required to take at least one year of Home Economics before they could graduate from high school.

HOME ECONOMICS—Miss Ellsberry watched the girls as they carefully prepared a breakfast in class. From left to right are: Helenjean Hartman, Rolsolie Melvin, Betty Vandiver, and Janice Ayers.

DRAFTING—Mr. Farlow checked Larry Cox's drawing with a T-square while Bob Baker and Chuck McIntyre watched for pointers.

At H.H.S. four vocational classes were offered for '63. They were: drafting, print shop, wood shop, and machine shop.

Drafting classes were instructed by Mr. Thomas Farlow. Mr. Farlow felt that certain skills were essential in the training of draftsmen. These included knowledge in measurements, the ability to visualize an object and then to draw it, a development of skill in the use of drawing instruments, and a knowledge and skill in the use of reference materials.

Mr. Warren Biller supervised the boys in print shop. There was little printing in the Hobart School System that did not come from the print shop. Some of the widespread accomplishments of print shop were illustrated by elementary and high school grade cards, school passes, and other administrative printing, and the programs sold by the Booster Club at home games.

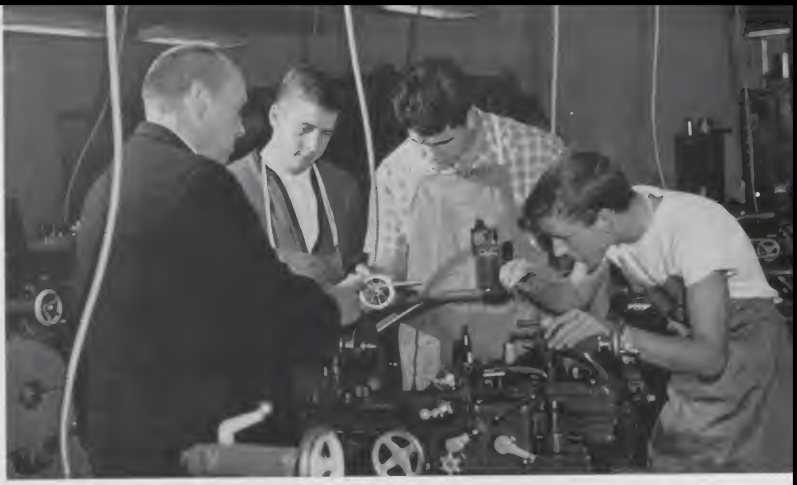

The wood shop students were instructed by Mr. Bernie Smetzer. Mr. Smetzer made certain the boys had a basic knowledge of safety on the power tools before he allowed them to use the machines.

Mr. Wayne Collins trained boys in the field of machine shop. He considered the ability to think for oneself a very important skill in machine shop work. He stated that the purpose of machine shop education was to prepare the boys to enter an apprenticeship in metal work. "The controlling purpose of vocational education" is to prepare our high school students for useful employment in metal work and machinist vocations.

Emphasis Was Placed on Skill and Fine Technique

WOODWORK—Gary Banks planed a block of wood on a joiner as Mr. Smetzer warned him to be careful. The rest of the class waited for their turns.

MACHINE SHOP—Mr. Collins examined a cannon made by one of the machine shop boys. The boys were training for an apprenticeship in metal work.

in the Broadening Range of Vocational Work Shops

PRINT SHOP—Mr. Biller supervised students as they set up type for the presses. Mr. Biller's classes constructed most of the printed material used by the Hobart School System.

Organizations

The choice of clubs at Hobart High School was versatile and varied for the year 1963. All the organizations took a very important part in the school year in their own capacity. Organizations gave the individual a chance to express himself and a chance to work in a group and have fun at the same time. Many students became members of clubs during the year and rounded their educations by doing so.

Yearbook Staff Attained Goal of Collecting Impressing

Jackie Wright—Editor-in-Chief

Joan Wesley—Associate Editor

The Memories staff worked for perfection in the 1962-63 yearbook. Members of the staff spent long hours selecting a theme, arranging layouts, planning appealing pictures, and writing copy to be typed on the finished sheet. This was only a part of the work accomplished by the editors and their assistants throughout the year.

All those who were connected with the yearbook strived to prepare an interesting and attractive diary of the school year. From page to page, a vivid account was given of HHS activities, classes, and organizations. The Alma Mater was chosen for this year's theme. The yearbook was planned in a way that each student who would look through it in the future would remember his days at Hobart High.

YEARBOOK EDITORS—Three important editors on the yearbook were Pat Erwin, Organizations; Marcia Lahaie, Layout; and Jackie Freeville, Activities.

YEARBOOK PHOTOGRAPHERS—Yearbook photographers for the '62-'63 year were: Bill Keller, Royce Peterson, Bruce Wilkinson, and Jeff Johnson.

Collection of Events for the School Annual of 1963

STAFF—Copy Editors Phillis Cole and Carol Granzow (not shown) wrote yearbook copy while Mary Ann Pope, Photo Editor and Linda Pendleton, Artist, checked pictures placed in the yearbook.

BUSINESS STAFF—Carol Fitzgerald, Ad Manager, Sue Schroeder, Business Manager, and Kathy Ryba, Assistant Business Manager, encountered many different problems in their positions on the yearbook staff.

EDITORS—Lynne Kittredge and Lynne Wilson, Classroom Editors, Stan Ellerman, Assistant Sports Editor, and Barb Louis, Sports Editor, worked hard to complete their sections of the yearbook.

EDITORS—Linda DeFrance, Senior Editor, Starr Nibbe, Assistant Senior Editor, Sharon Collins, Underclass Editor, and Coleen McKinney, Assistant Underclass Editor, stopped in the hall to discuss their layouts.

A better issue of Ho-Hi Life was the goal which threw the 1962-63 newspaper staff into a flurry of creative action. Many new ideas and columns were added to make every individual interested in the publication.

The journalism department was divided into two groups—beginning and advanced. Students in beginning journalism learned to write newspaper stories in all categories, from features to straight news. The stories were graded by the editors of the different pages in Ho-Hi Life. Well-written stories were carefully copy-read, rewritten if necessary, and printed in the next issue. This arrangement allowed the editor and the other heads time for more efficient management of the paper. The time which preciously was consumed by story writing could be used in preparing the school paper for its next circulation.

Karen Thoreson first semester editor.

Cheryl Weatherholt, second semester editor.

Ho-Hi Life Continued Striving for More Promising,

EDITORS—The Ho-Hi Life staff was Pat Przeniczny, Copy Editor; Paula Robinson, Society Editor; Christine Bryant, News Editor; Carole Mikolajczyk, Associate Editor; Carol Fiester, Circulation Manager; Stan Ellerman, Sports Editor; and Edith Vincent, Feature Editor.

BUSINESS STAFF—Judy Wineinger, Business Manager; Donna Vasil, Advertising Manager; Marianne Dunn, Circulation Manager; and Marcia Spears, Assistant Business Manager, handled the business of Ho-Hi Life during the year.

Interesting, and Factual School Newspaper Editing

PHOTO STAFF—Bill Keller, Frank Burnett, Photographers; and Betsy Hawke, Photo Editor, worked to secure better pictures for the newspaper.

1962-63 G.A.A. Provided Organized Physical Fitness

Senior members from left to right were Bobbi Mishler, Melody Stults, Carol Carpenter, Pat Smith, Sue Girtman, Donna Thompson, Jackie Wright, Joan Karner, Beckie Nelson, Judy Peterson, and Barb Louis. Seniors in the middle were Joyce Peterson, Diana Dexter, Marcia Spears, Donna Vasil, Joan Wesley, and Gorjean Quarles.

This past year the Girls' Athletic Association continued with their program for building physically fit girls. Among the numerous sports played throughout the year basketball was one of the foremost on the groups. When playing this game after school the girls were divided into eight teams for participation in this sport. Each game lasted thirty minutes and other gymnastic activities were provided for those teams that finished playing their games.

New rules were brought into girls' basketball this year, which changed the game considerably. Girls on the floor could combine the position of forward and guard by being a "Rover." There was one rover guard and one rover forward in each game. They were not necessarily chosen before the game commenced but as the need arose any one girl could become a rover. A rover, being both forward and guard, could cross the center line and play in either court changing positions as she does. But so there wouldn't be two teams on one side a rule was added that said there could not be more than four players from a team on one court. During this past year the G.A.A. sponsored their annual In and Out games. During these games the girls used both the new addition of the rover position and the old rules. This new addition proves to add more smooth action and makes the games more exciting to all.

Junior members of GAA were Betsy Hawke, Nancy Griffiths, Karen Howell, Alon Dickson, Pat Phillips, Charlene Teague, Shirley Springman, Lorilie Wells, Diane Fifield, Susan Zickuhr, and Gloria Knocke.

Programs for Athletic, Interested High School Girls

Juniors and Seniors using the trampoline practiced simple jumps and drops. Some girls, however, went on to experiment with more advanced and difficult feats. During this time the sophomores practiced tumbling on the mats, using the buck and the parallel bars.

Other sports the G.A.A. girls participated in were volleyball, deck tennis, baseball, badminton, track, and cage ball. Cage ball was a game comparative to volleyball, but using a ball with a diameter of about four feet. The rules were flexible, but this did not diminish the amount of fun had in playing.

The G.A.A. sponsored Hobart's annual Girls' In and Out games. This year the senior team played the junior team, and two sophomore teams played each other. The senior team emerged victorious, and the sophomore white team beat the sophomore red team.

Play days were another activity sponsored by Hobart G.A.A. and G.A.A.'s in the surrounding areas. Girls taking part in this activity went to other schools for a day and learned new sports and techniques while competing among themselves. The participation was not actually competitive, but constructive.

All the activities and sports entered in by the G.A.A. were aimed at improving the physical fitness of its members. The G.A.A. also hit upon the idea of a scholarship to be awarded to a talented girl entering the field of athletics or physical education. The organization was not able to award a scholarship this year but hopes to have one in the near future.

The Debs celebrated Hobart's Homecoming by preparing a float to represent their club. The float entitled "Mow 'em Down" merited 3rd place in the parade.

The Annual Buzz books were planned and distributed by the Debs. The books contained the names, addresses and telephone numbers of every student in Hobart High. There was a separate book for each of the three classes.

December 15, the Debuteens sponsored the annual semi-formal. The theme "Symphony in Snow" was carried throughout the dance with silver notes, treble clefts, and fiddles, decorating the cafetorium and the lobby.

In order to demonstrate the correct attire for a high school student, the Debs put on a dress convocation in the gym at the beginning of the year. Both the wrong and the right way of dressing were shown by members of the club.

Among the number of different drives held were a Peanuts for Polio drive, Bundle drive and an Apple drive. The money taken in was given to various organizations represented by the drives.

The annual initiation was held after the second semester under the direction of the President, Rebecca Nelson. The purpose of the club was to give recognition to students who had worked in plays throughout the year. Thespian members offered their services to the dramatics classes when plays were staged. Future Business Leaders of America carried out their aims by preparing themselves for a life in the business world. This organization was concerned with developing competent and potential business leaders in America. Activities, studies, and observations all built a platform by which they could base their lives on after graduation.

Among a number of activities sponsored by F.B.L.A. was the annual spelling bee held in March. Students competing in the spelling bee obtained a list of words from their English teachers. The list contained those words used in the spelling bee.

One of the biggest events during the year for the members of F.B.L.A. was the convention held annually in Muncie, Indiana. Students from every part of the state attended the convention to further widen their views and ideas concerning business and its career. Those who wished to represent Hobart by attending the convention had to earn a minimum of 35 points participating in different activities. Examples of the point earning activities were working on committees, attending meetings regularly, and working at various jobs for teachers.

Membership into the club was obtained by those students with an interest in business and who were taking a course in commerce or those who already had taken such a course.

Miss Helen Hopp, Hobart's typing and shorthand teacher, sponsors the Future Business Leaders of America organization.

In May the sophomore and junior members of the F.B.L.A. held a banquet for the seniors who graduated.

The first activity undertaken by the Spanish club was a roller skating party held at the Oak Ridge Roller Dome in Hobart. Approximately 100 members of the organization attended the party.

The club also decided on various projects to earn money needed to send a high school representative to the summer workshop for Spanish studying students held in Monterey, Mexico. This was the ninth consecutive year it had been held. The beginner's class of the workshop was designed for those students who had not previously studied Spanish. Advanced grammar, composition, literature, and conversation were studied by the more advanced students. The Hobart Chapter of the International Quill and Scroll organization continued its fine program at the high school.

Quill and Scroll was a select organization made up of journalism minded students that met the specific qualifications. All members or applicants for membership must have maintained a B average, which would have placed them in the upper third of their class. They must also have been active in either the newspaper or yearbook publications and have a personal recommendation from the journalism advisor.

Quill and Scroll was proud to be Hobart's only international merit honor society in existence. It was first organized in 1826 for the purpose of encouraging and rewarding individual achievement in journalism and allied fields. The organization adopted a constitution and by-laws. The motto of this society was "Ye shall know the truth and the truth shall make ye free." Quill and Scroll did all it possibly could to uphold this motto for their school.

For activities the Quill and Scroll participated in a wide variety. The club took charge of the concession stand at Homecoming games and at other games. This not only provided refreshments for students attending the games, but it also represented a money-making proposition for Quill and Scroll organization.

The formal initiation consisted of a ceremony during which the Quill and Scroll officers, including Cheryl Weatherholt and Carol Mikolajczyk, lit candles representing truth, leadership, learning, loyalty, judgement, and friendship. These stood for the obligations that journalism people give to society.

Officers of Quill and Scroll were Christine Bryant, Vice-President; and Stan Ellerman, President. Not shown: Jeneane Fraley, Secretary; and Betsy Hawke, Treasurer.

Backing Exchange Student From Costa Rica Served

Nayla Morales was Hobart High's first foreign exchange student. Nayla was from Costa Rica and resided with the Max Tucker family during her stay.

Leading the forty-three members of the Student Council were the Mayor, Bernie Claxton, and the clerk-treasurer, Diane Fifield, of the Purple Party. The losing Gold Party members Jane Shinabarger and John Mattix served as the other officers of the club. It was their duty to take the place of Bernie or Diane if they were absent. The Council met once every two weeks during class time and was responsible for many achievements and activities during the 1962-63 school term.

Council members were chosen from all three classes; the sophomores' representatives in the fall and the juniors and seniors in the spring. One member represented each homeroom. Students were given the opportunity to voice their opinions and their suggestions to their Council representative in homeroom and the Council member would bring it up at the next meeting. To qualify for membership, one must maintain a C average scholastically and have average conduct marks.

Noontime recreation was planned entirely by the Student Council. It included ping pong tournaments, chess and checker games played daily in the cafetorium, music for dancing in the lobby provided by the juke-box, and shuffleboard in the balcony of the gym. This was under the direction of Suzanne Brandenburg.

Special activities such as Government Day in April, the annual Talent Show, "Yohannaire," in March, a classroom collection for Radio Free Europe, correspondence with a high school in Germany and South America, a sock-hop after the girls' In-and-Out basketball games, special convocations, a Turn About Day and dance in January and the sponsoring of the Costa Rican exchange student, Nayla Morales, highlighted the Council's year.

As an Outstanding '63 Hobart Student Council Project

A $100 Student Council scholarship was presented to a deserving senior at the Honor Day convocation.

Problems faced by the Council this year, as always, were devious and numerous. They were faced with the hall traffic situation, put committees in charge of Patriotism—Gil Meilaender; Inspection—Michele Livovish; Fire and Safety—Chris Bryant; Civil Defense—Susan Schueman; Hall Traffic—Diana Glad; and School Exchange—Sue Brandenburg. The Student Council also revised the rules for mayor-clerk nominations held every spring. Candidates for the 1963-64 Purple Party are Micki Kay Garber and Ivan Heistand, and the Gold Party candidates are Roger Norris and Cynthia Stefanchik. They will be elected this coming fall by the popular vote of the student body. Votes are tabulated on official voting machines after the summer months of campaigning.

Fire drills, safety and clean-up campaigns, civil defense rules, the possibility of a new concession stand at Brickie Bowl, were all brought up and some handled by the council.

Money made by the Council from its activities was entered into the American Field Service fund for the foreign exchange student or into the scholarship fund. They worked the concession stand during basketball and football games and sold basketball programs.

The club was under the sponsorship of the vice-principal, Miss Dorothy Thompson, and one of the guidance counselors, Marion Bailey.

Boosters Promoted Good Sportsmanship Through Year

The Hobart High Booster Club was one of the oldest clubs at the high school. Activities were numerous during the year and always were well participated in by club members. The Booster block at all athletic games was contrived by the club to support the high school teams both at home and away.

During the '62-'63 year the Booster Club sponsored the annual after Homecoming dance at which Nancy Holley reigned as Queen.

The Boosters also sponsored a Brickie license plate drive for Hobart. Members sold purple license plates with Yohan, the Brickie mascot, pictured on the front. These were attached to the front bumpers of cars in order to denote Brickie Boosters. The Booster Club fulfilled the purpose for which it was created by maintaining and extending throughout the community high standards of sportsmanship. It helped create support for the school in all athletic events. The club strived to maintain the standards set by their constitution. Officers of the Booster Club were Susan Zickuhr, Recorder; Lynaya Jones, Secretary; JoAnn Siddall, Vice-President; Nancy Griffiths, Recorder; Marcia Lahaie, Treasurer; Linda Johnson, President.

Librarian's Club Aided With Managing of Library

Helping teachers and students who needed assistance in the library was the main purpose of Hobart High's Librarian Club. This service club has been organized for over 20 years. Besides assisting people in the library, they looked up information for students and teachers, stamped magazines and books, checked in and out books, and straightened up the library.

During the month of October, the club held its annual initiation.

Points were earned in order to receive letters and octogans. By being an officer, working in the library, being on a committee, or doing a special project such as making book marks or creating an exhibit for the display case, 50 points could be earned for a letter or an additional 25 points for the octogan.

Parties were held by the club to keep the library clean. A party was also held at the end of the year to honor seniors.

The girls worked in the mornings before school, at noon, and after school. Some girls also took library as a subject and worked during school hours.

Mrs. Bailey, the school librarian, served as club sponsor.

Meetings were held in the library either during the noon hour or after school. At the meetings the girls learned library techniques of filing, repairing, and stamping books, and other tasks to be done in the library.

This year's club has the largest membership in the club's history. Membership in the Librarians Club was opened to any person interested in serving in librarian work.

During football season the band opened each game with the Star-Spangled Banner and the Alma Mater. At the half-time the marching troop presented an entertaining show. Each half-time show was different and interesting. The narration done for each performance was done by Diana Dexter. The band provided the music for the Gold and Purple parade, heralding the oncoming parade as it progressed through town. In November the concert band formed and began working on their concert music. They opened their season with the annual Pop Concert on November 29th. At this performance the band played pop music and light classical music. On December 16th the concert band joined with the Junior High Band, A Cappella, and Junior High Choir to present the Christmas Vespers Program. The Hobart High pep band played for many of the pep sessions held during the year. They helped to rouse the fighting spirit of the school as they played the school song. The pep band also played at home basketball games.

The Band Mothers Association gave a formal banquet for all senior band members on April 28th at the San Remo Restaurant. The group that enjoyed the dinner consisted of nineteen seniors, Mrs. Eldor Pflughoeft, President of the Band Mothers, and Mr. Pflughoeft, Mr. and Mrs. Robert Webb, and Mr. and Mrs. Alvin Rogers. The party first helped themselves to the salad bar: then they were served at San Remo's famous Fiesta Cart. Mrs. Pflughoeft served as Matron of Ceremonies and short speeches were given by all. James Kursch, President of the band, gave a thank you speech. On Friday, May 3rd, the concert band left for Mendota, Illinois, for an exchange concert. Hobart hosted the Mendota High School band earlier in the year. The Hobart band spent all day Friday there, during which they gave a concert and were conducted on a tour through a local factory. Soloists for the trip were Donna Thompson, senior, on the flute, and senior Jim Kursch, cornet. The band members stayed overnight in the Mendota band members' homes. Hobart made the return trip on Saturday, May 4th. The final concert of the season was the Spring Concert held on May 13th in the school gymnasium. At this concert the John Philip Sousa and Arion Awards were presented to two worthy seniors. The band played at Baccalaureate and the Commencement exercises on May 19th and 20th, respectively. Treble Choir Performed at 'Music for Christmas'

The thirty-seven members of the 1962-63 Hobart girls' Treble Choir participated in many concerts as well as other forms of activities throughout the school year. Rehearsals were frequent and demanding, but the girls were well rewarded by the applause after their songs.

The Treble Choir sang at Thanksgiving, Christmas and Easter Convocations held by the high school gym. "Music For Christmas," was the theme of the Christmas concert presented by the A Cappella Choir at the high school December 18. The Choir sang a series of songs at this concert, one of which was "Gloria Patri."

The Treble Choir also took upon themselves to sell candy during the fall of '62. Each girl sold boxes at $1.00 a piece. The candy was sold to pay the choir's debt from last year to the A Cappella treasury. The money was borrowed for the Choir's new robes last year and it was the Choir's goal to pay it.

Friday, March 8, 1963, Treble Choir girls served as hostesses for the A Cappella Choral Festival.

Hobart played host to: Griffith, Merrillville, Highland, Crown Point, and Calumet school choirs at the Choral Festival held in the Hobart High School gymnasium. The Treble Choir girls showed the members of the visiting school choirs around the high school.

The Easter convo was especially nice due to the fact that the Treble Choir sang three Easter songs and closed the convo with "Were You There When They Crucified My Lord."

Officers of Treble Choir were Sandy Overturf, Robe Mistress; Judy Wineinger, Secretary-Treasurer; Ruth Millus, Librarian; and Rose Detrick, Student Director.

To become a member of the A Cappella, students auditioned in the spring for Mr. Benson and the choir officers. From the remaining group the Treble Choir was chosen.

During May, the choir performed the musical comedy, "Bye Bye Birdie."

All these groups practiced outside of regular class time. The girls' and boys' ensembles practiced after school while Madrigals practiced at night.

Members of Madrigals and girls' ensembles are chosen by Mr. Benson in the fall by audition. This year's boys' ensemble consisted of volunteers from the A Cappella Choir.

This year's ensemble groups were the largest groups that the choir has ever had. They participated in many more events and the interest of these members was outstanding. They worked long and hard to make the activities they participated in a success.

Activities

Planning activities and their themes was not an easy task. Good examples of this hard work were the numerous projects such as the campaigns, class parties, prom, Honor Society, and Student Council.

Enlarging circles of friends, getting along with others, were just a few of the things learned by those who participated. Also experienced was how to carry the burden of responsibility which will remain with the student for the length of his life.

CAMPAIGN PARADE—Diane and Bernie were proud of their positions of honor in the campaign parade. Diane's poodle seemingly enjoyed his part in the campaign festivities, too.

Parade Highlighted Enthusiastic Political Campaign

MAYOR AND CLERK-TREASURER—The new mayor, Bernie Claxton, and clerk-treasurer, Diane Fifield, smilingly contemplated future duties.

The 1963 campaign for the selection of mayor and clerk-treasurer resulted in the victory of the purple party. Diane Fifield, purple party candidate for clerk-treasurer, and Bernie Claxton, candidate for mayor, were chosen to lead the year's student government body. The purple party candidates took their seats of honor in the black convertible shown above.

It seemed there was a problem with the purple party cheering wagon. It looked as if the wagon's tire had a strange delight in going flat or the wagon was slightly overloaded. Purple party supporters were required to make their way back to the high school on foot.

The gold party went all out for the gold rush in the 1963 campaign. The covered wagon that was in front of the school during the campaign was put there by enthusiastic supporters of the gold party. In keeping with their theme, the gold party overlooked the convertible in favor of the horsedrawn wagon. Its candidates, Jane Shinabarger and John Mattix, rode atop the wagon in the true tradition of the Old West.

1963's seniors turned in a 100% vote that topped the year before's 99% record. Election absentee ballots were introduced for students who were unable to attend school on election day. The sophomore and junior classes also did a fine job of upholding the voting tradition. The seniors were awarded for their spirit and ambition exerted during voting day by a special commendation by Mr. Moody the following day.

Gold Party Candidate for Mayor, John Mattix, tipped his hat to spectators while Jane Shinabarger, Clerk-Treasurer candidate, looked on in anticipation.

From Which the Purple Party Emerged As Victors

The Purple Party cheered their candidates on to victory while riding on the purple wagon.

The Purple and Gold Party parade was the annual high-point in the election. The candidates led their supporters from the school through town and back. It gave the students a chance to participate in their party's campaign for Mayor and Clerk-Treasurer. Both parties had publicity floats, such as the stagecoach below, in the parade.

Miss Diana Glad Chosen to Reign As 1962 Football

Charming Diana Glad, 1962 Homecoming Queen, reigned elegantly over the evening's festivities.

Hobart High School's 1962 Homecoming celebrations began with the annual bonfire in Brickie Bowl. HHS students watched the flames leap skyward as the cheerleaders led them in enthusiastic cheers. After the fire burned low the group formed a chain for the traditional snake dance.

Friday, Oct. 19, Homecoming was officially underway. The game started off with a roar as the team burst through the victory square.

Winning positions of the Homecoming floats were announced at half-time. The A Cappella float took first place with the slogan "Let's Record a Victory." The senior float took second place. Debuteens third, and the Art Club fourth.

Representing the senior class were Cheryl Winston escorted by Bernie Claxton, senior, and Diana Glad escorted by Mike Hoots, senior. Candidate from the junior class was Karen Mueller whose escort was Jim Lovall, also a junior. Susie Hawke escorted by Jon Stafford, junior, was the sophomore candidate for queen. Each girl was presented with a dozen red roses by the cheerleaders.

Diana Glad was crowned '62 Homecoming Queen by senior class president, Roger McKuhen. She later received a white football signed by the football players in honor of the night she reigned.

The Homecoming dance, held at the high school in the cafetorium after the game, concluded another year's Homecoming celebration. Music for the dance was provided by the school jukebox. The Booster Club, sponsors of the dance, served the refreshments.

The cafetorium was colorfully decorated to welcome both students and alumni to the homecoming dance.

The annual bonfire, held in the Brickie Bowl the night before the big game, touched off homecoming spirit.

Work done by the A Cappella paid off when the choir float won the coveted first place.

Queen Nancy and her escort Jim Huminski led off with the first dance to declare the commencement of the dance. Music played during the dance was provided by the Nomads, and cokes were served at the snack bar for those attending. After intermission a special feature was introduced. Career Day Proved to Be Exceptionally Interesting

Mr. Richard Raizus holds the attention of students by explaining the likes and dislikes of being a policeman. After his discussion, many interesting questions were asked concerning his profession.

Friday. April fifth, was set aside as Career Day for the students of Hobart High School. In the past. Career Day was sponsored by the Student Council and the students who participated went out to the actual jobs. This year a new program was introduced. In this program more students were able to take part. Career Day 1963 was a day on which various people from Hobart and surrounding cities came to the high school and held discussion groups on their individual vocations. In preparation, students were given questionnaires on which they stipulated their interests in various careers. They listed three job preferences and from these papers the guidance department were able to decide who to invite for the day. Also they made out each student's program card from these. When the program and speakers had been engaged the counselors spent many long hours making out the individual schedules. They tried to give every student at least two discussion groups, many were given three. During Career Day the students went to the designated rooms for the lectures at different times during the day. The guest speaker, in most instances, first gave a short introductory speech about himself and his profession. He pointed out interesting facts about his vocation and the advantages it held. He also tried to acquaint the students with the problems of his job. Then the speaker opened the discussion to the students for comments and questions. Career Day gave the students valuable help in their search for a future profession.

The punch served was a tasty lime sherbet mixture, and many different types of colorful cookies were served. Tables were set up at the dance for those couples who might want to sit out a dance or two. The tables were covered with white tablecloths and centerpieces were made of white styrofoam music notes.

Mr. Hientzleman, the journalism teacher, presented something new at the semi this year. He offered to take pictures of couples attending the dance at 50c a piece. The background which was used for the pictures consisted of a beautiful rose trellis and silver notes.

The annual Spanish Club Fiesta, held April 1, highlighted the year's activities. Reigning over the dance were King Bill Abner and Queen Susie Talcot.

Two visitors also attended the Fiesta. Nayla Morales, foreign exchange student from Costa Rica, arrived in her native costume and Sarabjit Kaur from India, accompanied by Nancy Taylor. She was dressed in India's traditional costume. Sarabjit was Sue Taylor's "little sister" in college.

Latin Club Saturnalia Proclaimed a Hugh Success

SATURNALIA—Lounging on mats, Latin students dined in a typically Roman fashion.

The Latin Club's annual Saturnalia was deemed a huge success by all who attended. Latin students feasted in the traditional Roman style, relaxing on mats. The food was basically Roman with fresh fruit as a side dish. All first year Latin students were slaves to the older members. They were ordered to run errands, serve food to their masters, and wait until they were finished to begin eating.

All Latin Club members were urged to come. Nayla Morales. Hobart's foreign exchange student, was invited as a special guest by Mr. Black, club sponsor.

SATURNALIA—Elaine Webb gracefully fed Jon Stafford a grape while Bob Sowinski and Roger Norris looked on.

SATURNALIA—The 1962 Saturnalia turnout was the biggest yet at Hobart High. Dressed as Romans, students enjoyed a festive evening.

Governing Hobart on Government Day were: Bill Enslen, City Attorney; Tom Kitterman, City Engineer, Russ Crissman, Councilman; Jim Kurch, Planning Commissioner; Jim Hawke, Mayor; and Jackie Wright, Clerk-Treasurer. Advising the students were Peddicord, City Attorney; Krull, City Engineer; Herman Pflughoeft, Mayor; and Oolah Evans, Acting Clerk-Treasurer.

H.H.S. Seniors Participated In Annual Government Day

Jackie Wright was chosen by the Government Day committee to serve as Clerk-Treasurer. Laura Bracken held this job during '62-'63. This was her last year.

Government Day was held in Hobart on April 3rd. As an annual activity for Senior Government Students. A special Student Council Committee was chosen to select the Mayor, Clerk-Treasurer, and other high office holders. The students were chosen on the basis of citizenship, and scholastic achievement in Government and other subjects that were taken. Mayor was Jim Hawke, and Clerk-Treasurer was Jackie Wright.

Serving as Councilmen, firemen, and Policemen were: Dave Bigler, Randy Caudwell, Bob Rippe, Jim Krause, Frank Banaski, Dave Kietzman, Paul Buzinek, Sue Berg, Earl Williams, Barb Louis, Dave Baum, Bruce Wilkenson, and Glenn Buford. '63 Honor Convo Recognized Outstanding Students

Joan Wesley was awarded the trophy for being the most outstanding senior girl athlete. She received her award from Miss Reisinger, girl's athletic director.

Every year the Hobart Senior High has an Honor Convo in order to recognize those students who have been outstanding during the year in various fields, and to give the senior awards and scholarships. Honors were presented by faculty members, and organizations of the school and the city. At the '63 Convo on May 15th, Mayor Herman Pflughoeft was present in order to present citations to Miss Gladyce Anderson and Mr. Howard Yunker. Athletic Awards were presented by Frank Kurth and Miss Reisinger. In the Academic field awards were presented for outstanding achievement at English, Math, Spanish, and Latin contests. Mr. Robert Heintzleman awarded certificates to journalism students. Scholarship awards were presented as follows: Tri-Kappa, Bernie Claxton; Student Council, Bill Melvin; Harley Garver, Jackie Wright; Rotary, Donna Thompson; F.T.A., Sandra Badgley, Jaycee, Roger McKuhen. Bill Enslen, President of the National Honor Society, awarded the Outstanding sophomore boy and girl award to Kenny Black and Susie Hawke. The Junior boy and girl staters were given recognition, also. The senior activities Awards went to Bernie Claxton and Jackie Wright. The Tri-Kappa named Jackie Wright as the Most Outstanding Senior Girl. The Danforth Awards went to Jim Hawks and Joyce Peterson, and the American Legion awards went to Jim Kursch and Sue Brandenburg. AAUW's award went to Sue Berg, and a runner-up award went to Sue Helm. Recognition was given to 38 Seniors maintaining at least a B average through four years of high-school. Also to those students who did not miss a day of school throughout the year.

Sneak Day at Dunes State Park gave Joan Wesley a chance to make a new friend. Here she is shown as she fed the raccoon ham salad sandwiches and fried chicken.

Chuck Hamilton, Alan Flanigan, Jack Prewitt, and Rusty Kraft are shown as they gathered to board the bus for home.

Seniors Participated in Annual Sneak Day Privilege.

Miles Richmond and Beckie Nelson sat down for a breather after a tiring walk down the beach at the Dunes. Shown in the background were seniors like Judy Heinold and Georgia Detrick who were enjoying Sneak Day, 1963.

On May 7, 1963, the entire senior class did not attend school. Instead, they boarded buses for Dunes State Park. The idea was to keep the exact date of Sneak Day from the knowledge of the faculty and underclassmen. As always the teachers and many of the underclassmen found out a few days before, but this year's Senior Class managed to keep it from them for a longer period of time. At 8:00 A.M. in the morning the jubilant seniors were observed by the envious underclassmen as they boarded the buses for the Dunes. One bus was made up of all senior boys, one nearly all senior girls, and the other two contained mixed company. The senior song was heard numerous times as it was being sung loudly by the boys and girls on the way. Other "favorites" were sung in true discord. Soon after the arrival of the buses at the Dunes, the 220 seniors took off for all parts of the park. By noon many of the senior girls could be found eating pot luck lunches in clothes dripping with the waters of Lake Michigan. After lunch, the few girls who had remained dry throughout the morning were drenched in an all-out water fight using the water from the nearby fountain at Wilson's Shelter. Many seniors played football, baseball, and cards. Everyone was required to be on the buses by 3:00 P.M. On returning to the high school, the Alma Mater was sung and there was a display of beautifully sunburned noses. The seniors made their way home tired, sore, but in the possession of many happy memories.

Baccalaureate Services Held for '63 Graduating Class

Addressing the 1963 Hobart Senior Graduating Class was Reverend Nelson Moore of the Unitarian Church who delivered the main speech at Baccalaureate, held in the High School gymnasium May 19.

Sunday, May 19, at 3:00 the Class of 1963 held their Baccalaureate exercises in the gymnasium.

The program began when the Concert Band, conducted by Mr. Robert Webb, played "Faith of Our Fathers," "Nearer My God to Thee" and "My Faith Looks Up to Thee." The graduating seniors then began the march in to "Pomp and Circumstance" led by the junior president and vice-president, John Stafford and Loris Piepho.

The invocation was given by Rev. James Deck of the First Christian Church. The seniors joined the other A Cappella members in singing of "Lo, a Voice From Heaven Sounding" conducted by Mr. Robert Benson.

Rev. Nelson Moore from the Unitarian Church was the main speaker, whose speech was entitled "What it takes to make a life." Rev. Moore gave the ingredients for a good life. Some of the things he thought were proper physical health and money. Rev. Moore said that the money is not necessary but in today's world it is almost a must. The three things that he thought were absolutely necessary were good mind, good character and a sensitive heart.

The benediction was presented by Rev. James Cheney of the First Methodist Church. Mr. Benson led the choir in the singing of "The Lord Bless You and Keep You." Donned in blue the seniors left the gymnasium while the band played "March Noble."

Seniors filed in to the tune of Pomp and Circumstance played by the Hobart High Band at the 73rd annual Baccalaureate.

Commencement exercises for the class of '63 began at 8:00 in the Hobart Senior High School gymnasium, on the evening of May 20, 1963.

The 229 graduates walked in as the band played "Pomp and Circumstance." The invocation by Reverend Jasper Cox followed.

After this Sue Helm gave the Salutatory speech. In the speech she expressed the importance of a good education and the fact that after graduation each person is on his own.

James Kursch presented the Valedictory speech. He expressed the importance of the high school years. He said that until graduation students are under the protective shield of their parents. He commented that after graduation this ends, and students are on their own.

A flute solo was presented by senior Donna Thompson. She was supplied with background music by members of the senior class.

The guest speaker, Dr. O. P. Kretzman, President of Valpo University, was presented to the audience by A. G. Kerr, Superintendent of Schools.

He discussed the changing times and their effect on young people. He analyzed some occurrences in history and stressed that it is up to young people of today to insure peace for the future generations.

The seniors then stood up row by row to walk up and receive their diplomas from either Mr. Moody or Miss Thompson. Then each graduate took a carnation and changed the tassle to the right side of his cap. The singing of the "Alma Mater," by the seniors ended the program.

The Brickies qualified for the Regionals by taking 2nd place in the Sectionals. In the Regionals, they also took second place. In the state championship meet at Indianapolis, the Brickies did very well by taking fourth place.

The Brickies will miss the services of Bernie Claxton, Edd Neill, Mike Hoots, Dave Bigler, Roger McKuhen, Lyle Patterson, Bill Enslen, and Mike O'Neil next year as these boys will have graduated.

Juniors who contributed greatly to this year's effort were: Dwight Mathis, John McKuhen, Jon Stafford, and Bob Ward. McKuhen was elected Captain of the '64 squad. Two Sophomores who earned varsity letters this year were Tony Didonna and Jerry Reitz.

Although the Brickies had their ups and downs during the regular season, they came on strong in the Sectionals, Regionals, and Finals to do well in posting their 4th place finish.

The Hobart High School Basketball squad posted a season record of 12-10 for the 1962-63 year. This was their best record in 3 years, the Brickies were runners-up in the Lake County Tourney.

The Brickies were heading into the final 4 games of the season with a 12-6 record, but ran into a stream of bad luck as they dropped those last 4 games.

For the first time since the new high school was built, Hobart was host to the Lake County Tournament. With a 62-53 win over Lowell, the Brickies made their way into the semi-finals against Griffith. After disposing of Griffith by a 66-58 score, the Brickies were in the finals against Crown Point. The Brickies had a rough first half, but came back in the second half to make a game of it as they lost 56-52. Earlier in the year, the Brickies had knocked off Crown Point 64-62.

The Brickies put together a 5-game winning streak over the early part of the season. The streak was put together at the hands of Merrillville, Andrean, Crown Point, Lowell, and Griffith. Another streak of four games was put together later in the season over Portage, East Gary, Chesterton, and Lew Wallace.

In the sectionals at Gary the Brickies drew underrated Horace Mann and were upset by them 73-72. This was a hard one to take as it was lost in the final seconds.

Bill Clingan led the '62-'63 team in scoring as he scored for a 16 point average.

Second row: Rich Lain, Dennis Fowler, John Carlson, Rowley Thompson, Jerry Olsen, and Bob Galbert.

'63 Brickie Senior Cagers

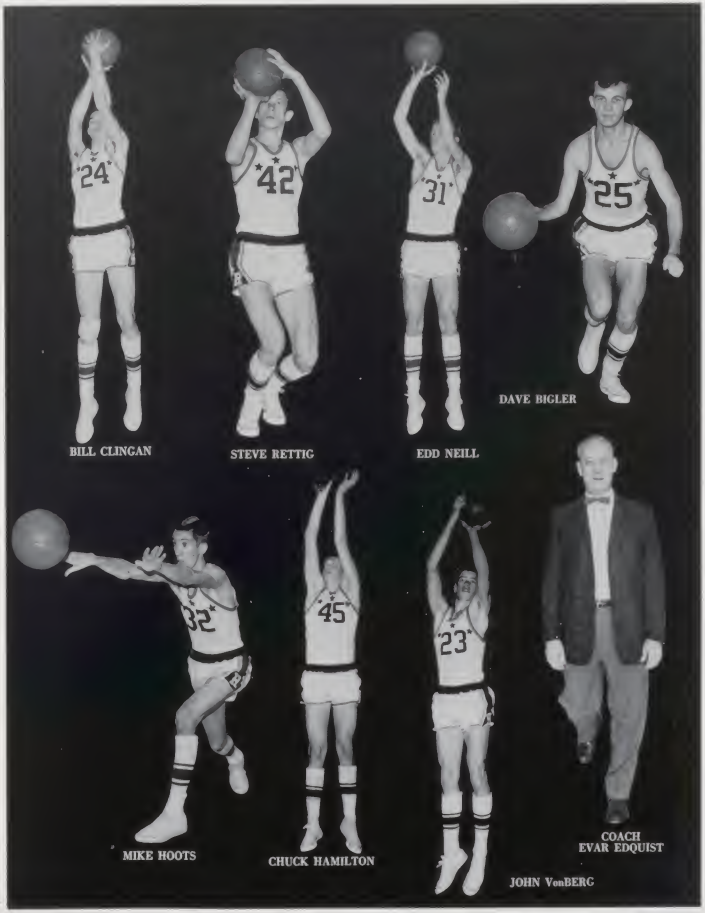

Number 23, John VonBerg, a senior, struggled to keep the ball during the East Gary Edison game.

After stealing the ball from a surprised Merrilville player, Chuck Hamilton made a lay-up to raise the score.

Leaping gracefully, Bill Clingan added 2 more points to the score to defeat Griffith in the Christmas Tournament.

Intramural Programs, Gym Classes and Noontime

Chris Hise and Harry Schouse mix it up in a boxing match during their gym class.

Miss Eleanor Reisinger and Mr. Floyd Davis were sponsors for the girls and boys intramural program for 1963. Miss Reisinger's girls spent their spare lunch hours doing various activities in the gymnasium. Among these activities were volleyball, basketball, tumbling, and making good use of the school trampoline. The girls spent their gym classes learning how to play basketball, tumbling, and learning physical fitness. On Wednesday nights, the GAA met in the gym for their weekly session. The girls and Miss Reisinger also presented the annual in-and-out games in the gym for raising money for the Girls' Athletic Association.

Mr. Davis met with the boys every Tuesday and Thursday nights possible during the late fall and winter months. The main activity engaged in during these sessions was basketball, which was formed into two different leagues according to the playing ability of the boys. Other sports played by the boys were boxing, wrestling, ping pong, and the using of the trampoline. Mr. Davis would sometimes referee the basketball games to see that they didn't get out of hand. During the year, Mr. Cope organized a league to play basketball. This worked out very well during the winter months. Most of the gym classes were spent in a physical fitness program, but much of the time during the year was spent in tumbling, wrestling, and playing basketball. Both the girls and the boys intramural program was beneficial and provided a lot of fun for all involved.

Brickie Track Team Copped 4th In Gary Sectional

Coach Frank Kurth led his track squad through another successful season, as they won both the Hobart Relays and the Little 5 Track Meet. Coach Kurth had a successful indoor season and had it not been for Hammond he would have had a very successful outdoor season.

The Brickies opened against Culver Military Academy in the fieldhouse. The Eagles pulled a surprise by upsetting the Brickies 61-48. In a dual meet in the Chicago Fieldhouse the Brickies defeated Hammond high for the one and only time all year, 52-48. The Brickies kept their winning streak alive in the Chicago Fieldhouse by winning the Crown Point Invitational over Crown Point, 124½-70.

Coach Kurth sent a number of individuals to the Hoosier Relays, but no points are kept at this meet.

The Brickies opened their outdoor season with three straight wins. The opener was over Andrean, 83-17. The next was a win over Hammond Bishop Noll 79-30. The Brickies then racked up 88 points to win the Little 5. The Brickies then racked up a fourth place at Hammond, a second in the Hammond Relays, and a second at the Delphi Relays. The Brickies again ran into Hammond at the Valparaiso Relays and again went down to defeat. Following this, they were successful in defending their title in the Hobart Relays. A fifth in the LaPorte Invitational and a fourth in the Gary Sectionals rounded out the '63 season.

Diamond Squad Recorded Victories Over East Gary,

Coach Russ Deal led his Brickie baseball team to a four win, 11 loss, and one tie record for the 1963 season. The Brickies started off slow with four losses in a row but came back to record some important victories. The Brickies lost their first four games of the year to Gary Edison, Michigan City, Griffith, and Gary Emerson. The Griffith game was especially tough because it was lost in the last inning. In the first four games, the Brickies' pitching did not equal their hitting as they had a home run in each of these games. The Brickies' home run streak came to an end when they broke their winning streak against Lew Wallace. The Brickies fought the Hornets to an eight to eight tie, in a game that was called at the end of eight innings due to darkness. The Brickies got on the winning track by downing East Gary one to nothing. After a loss to Gary Roosevelt, two to nothing, the Bricks won their second game of the year by defeating Portage nine to eight.

The other two victories by the Brickies were at the expense of the Chesterton Trojans and the Crown Point Bulldogs. The win over Chesterton was a gratifying one, as the Trojans were leading the Calumet Conference at the time. The Brickies scored three unearned runs for the win. The final game of the year saw the Brickies defeating Crown Point seven to six.

Coach Deal will have a number of junior and sophomore letter winners to build his team around next year.

Above were the varsity cheerleaders, Joan Wesley, Donna Glad, Cheryl Winston, Diana Glad, and Barb Lewis, for the 1962-63 school sports' season. Beginning in the summer, they practise many hours for the upcoming football season. The stands overflowed with fans for the first game against Elkhart, and although the Brickies didn't win, a great deal of enthusiasm was created. The highlight of basketball was the Christmas Tournament which for the first time was held at Hobart. Weeks of preparation went into the planning of the booster block, and with the help of Mr. Moody and several pep sessions, Hobart won the best cheering award. The cheerleaders ended the year with a pep session honoring the baseball, track, and golf teams.

Varsity Cheerleaders Win Hobart's First Trophy for Cheering.

The varsity substitutes, Linda Johnson and Karen Mueller, both juniors, shown below, filled in for the regulars whenever it became necessary, which was quite often. They practised diligently with the seniors, knowing they probably wouldn't cheer for too many games and would receive little or no praise for their efforts. Helping out at pep sessions was another job they did cheerfully.

The sophomore reserve cheerleaders had a big job ahead of them at the beginning of the 1963 basketball season when they were elected. They practised many days after school to prepare their cheers and also met with the varsity cheerleaders to plan their joint pep sessions. In the bottom picture are Barbara Shirey, Debby Grose, and Susan Hawke. In the top one are Mickey Garber, substitute Sandy Cary, and Carolyn Kozyra.

Shown above is the 1963 Hobart High School Golf squad. From Left to Right in the First Row: Jim Garrety, Bill Riley, Lonnie Stover, Bob Ward. In the Second Row, Left to Right are: Dave Olovich, Ron Dickey, Jerry Dodson, Loris Piepho, Keith Dunkelbarger, and Jim Huminsky.

Linksmen Start and Finish Season With No Seniors.

The Brickie golf squad, without a single senior, turned in a season with a number of good team performances and also a number of good individual performances. Coach Fay Trammel will have all of his team of this year back next year to try and improve on this year's record. The Brickie linksmen opened against Michigan City, and lost to the strong Red Devil squad. In their next meet against River Forest they rebounded well to take this meet from them, 174-177. Keith Dunkelbarger tied with Jim Huminsky for medalist honors for the Brickies with a 9-hole total of 42. The Brickies then dropped a dual meet to Dyer, 156-170, and Crown Point 161-177. The Brickies came back around sectional time to turn in their best team and individual performances of the year. Jim Huminsky turned in the only sub-par performance by a Brickie golfer all year, as he turned in a one under par 33. Good balance was shown as Dunkelbarger carded a 37, and Loris Piepho a 39. The Brickies played in both the Dyer Invitational and the La Porte Invitational. Both these were 18-hole meets and the Brickies did not do too well because they weren't used to shooting 18 holes of golf.

There were no seniors on the 1963 golf squad, and the juniors and sophomores who played this year will have valuable experience for next year. Keith Dunkelbarger and Jim Huminsky led the linksmen with their consistent playing. Backing them up in case of a bad game were Loris Piepho and Bob Ward along with sophomore Dave Olovich.

Brickie Golf coach Fay Trammel is shown as he gives putting tips to sophomore Larry Korpita.

Girls Showed Ability in the Annual G.A.A. Athletics

In 1963 the G.A.A. sponsored the in-and-out games and the track meet, as had become the custom in past years.

March 22 was the date of the basketball games. In the first game, because of their large number, the sophomores had two teams, who played each other, and the junior team played the seniors in the second one. Members of the teams were: Sophomore Boppin' Brickies: Micki Garber, Barb Shirey, Becky Saunders, Jane Greischer, Sandy Davis, Cynthia Stefanchik, Debbie Gross, Jackie Parent, Pat Bodner, Becky Sovich, and Marilynn Green. Sophomore Red Hots: Tylla Harrell, Joyce Daniels, Susie Hawke, Carol Lisak, Sandy Teague, Carolyn Kozyra, Phyllis Dixon, Edwinna Beers, Cheralyn King, Linda Wilson, and Bonnie Clavey. Junior team: Pat Phillips, Shirley Springman, Puttsy Missal, Nancy Griffith, Sue Davis, Sue Zickuhr, Karen Mueller, Lorelei Wells, Karen Howell, Jane Shinabarger, and Charlene Teague. Senior team: Joan Wesley, Barb Rosta, Joan Karner, Gorjean Quarles, Lynn Eikenberry, Lynaya Jones, Diana Glad, Donna Glad, Carla Moberg, Joyce Peterson, and Barb Louis.

The track meet was held May 8, in the gym and school parking lot. It was open to any girl and about twenty participated. The high jump was won by senior Gorjean Quarles with a record-breaking 1'7".

In the fifty yard dash Sue Zickuhr captured first, Linda Johnson second and Lynaya Jones third. Leaping gracefully, Carol Tarbutton, who came in fourth, glided over the high jump.

"It's mine!" Pat Bodner seems to be warning Cheralyn King, as the other team members and referee stand by watching, during the sophomore in-and-out game.

The mixture of personalities at Hobart High meant the need for varied activities and subjects in order to satisfy them. The old saying "Variety is the spice of life" was proven correct throughout the 1962-63 school year. Different minds produced different ideas and opinions. This made every aspect of school life more interesting and challenging.

Senior Class Achievements Led By Strong Officers

Officers of the 1962-63 Senior class are shown above. They are, seated, left to right: Diane Dexter, Class Secretary; Barb Louis, Class Vice-President; and Joyce Peterson, Class Treasurer. Standing is the Class President, Roger McKuhen.

CLASS MOTTO: "Try, Trust, Triumph"

CLASS FLOWER: Red Carnation

CLASS COLORS: Crimson and Gray

Seniors Proved Themselves In Many Areas

Joan Wesley and Jon Eickstend were honored as "Most Athletic." They have proven this through their numerous activities in sports.

"Most Talented" were Beckie Nelson and Dave Kietzman. Beckie excelled in voice and dramatics, Dave in voice and music.

This year the senior class chose outstanding people for their hall of fame. Many of the votes were extremely close, but the winners were all deserving people. A list of titles was given to every senior and they inserted the names of the people they thought deserved the awards. Those people having the most votes were chosen. Senior Hall of Fame is a yearly tradition at Hobart Senior High School. The Hall of Fame is always a project of the YEARBOOK MEMORIES and is re-newed every year due to popular demand. Photography credits this year go to Mary Ann Pope for setting up all the pictures, and to Bill Kellar and Mr. Robert Heintzelman for taking them.

Right: Suzanne Brandenburg and Jim Hawke were elected Most Valuable for their contributions to the class of '63.

Bill Enslen and Sue Brandenburg are shown as they demonstrated "climbing the ladder of success." They were chosen "Most Likely to Succeed."

Lynne Wilson and Edd Neill were voted "Most Friendly" for their bright smile and out-going personalities. Here they are shown as they danced in the lobby.

Senior Class Members Selected

"Class Jesters," Mary Ellen Greener and Jeff Johnson, were chosen for their abilities to be the life of any party. They were always lots of fun to have around.

Jim Kursch and Sue Helm were chosen as Most Scholarly for their high intelligence and grade levels.

Bernie Claxton and Barb Louis were chosen "Most Versatile" because of their outstanding work and interest in varied fields and organizations.

Fellow Classmates to Represent the 1963 "Hall of Fame"

Chosen as the "Best Natured" seniors were Diana Glad and Roger McKuhen. These two were outstanding for their easy-going personalities.

Athletics, scholarship, leadership, and sportsmanship were the goals and accomplishments of the junior class, or the class of '64.

Christmas decorations for the school, selection of senior photographer, selection and ordering of senior sweatshirts, the planning of the jr.-sr. prom, after-game concessions and dances were all part of the many things which the class participated in the school year 1962-63.

Jackie Freeville and Dwight Mathis reigned over "Project 64" or the class party, November 9th. Seated in the royal court were Sue Schueman, Jon Stafford, Mike Matuga and JoAnne Missal.

Officers of the junior class were President—Jon Stafford; Vice-President—Loris Piepho; Secretary—Sue Schueman and Treasurer—Gilbert Meilaender.

Leading the class in the area of scholarship were Christine Bryant, Dan Winske, Nancy Taylor and Gilbert Meilaender, with a straight A average. The class also contributed to the sports area of Hobart High with top athletes such as Ted Bonich, Jon Stafford, Skip Chandler, John McKuhen, Jim Lovall, Mike Matuga and Loris Piepho. The fans of the Brickies will recognize these boys as having participated in the fields of football, basketball, baseball and track.

"Nothing is impossible to a willing heart" is the class motto, and to carry on this tradition and the tradition of leadership, the junior class nominated Ivan Hiestand and Roger Norris to compete for Mayor of the Student Council. They will be elected in the fall.

The class colors are french blue and silver, and the class flower is the pink carnation. The sponsor was Forrest Rhode.

Sophomore class officers were, from left to right: Susan Hawke, Vice-President; Terry Mackey, President; Jeane High, Treasurer; and Marilyn Green, Secretary.

The sophomore class of 1965, Hobart's biggest ever, with some 400 students, backed the football team from September until November. Then the class backed the basketball team from December to February. During basketball season the Sophomores helped the school win the best cheering-bloc trophy at the Regionals although the team lost the championship game.

The month of March was the busiest for the class with the ordering of class rings, the magazine drive, the nomination of Clerk-Treasurer of the Student Council for next year, which turned out to be Micki Garber and Cynthia Stefanchik, the Sophomore girls' In-Out games with Team 1 winning, and the usual filling out of schedules for their coming Junior year.

Some activities such as a 50 mile hike were attempted by Sophomore boys; Rich Lain, Luther Matson, and Ken Black. Ken Winston, Dennis Fowler, Jim Philpott, Marty Evanoff, and Jim Addison, had fun taking over the job of Reserve cheerleaders at a convo. It was unusual and had a taste of nonsense added.

There was a Sophomore candidate up for Homecoming, Susan Hawke, and also a Sophomore up for basketball queen, Micki Garber.

During Clean-Up Week, Vice-President, Susan Hawke, was spared the task of picking up the trash in the halls, by her classmates, who received the honor of keeping the school the cleanest by collecting the most trash.

April brought about the election of class officers for the next year.

The Yearbook Staff would like to thank the merchants of Hobart and Gary for their fine support in making our 1963 Memories a success. Without their help our yearbook would not have been possible. The Staff also thanks the Taylor Publishing Company. Pictured to the right is a machine like the one that printed the yearbook this year.

As a member of the Senior Class, very soon you will be making a decision regarding a big step into the future. Perhaps your decision will be to go on for further education. Or it may be, you will be looking for the job of your choice. In either event, this decision will affect and shape your future life in many ways.

Regardless of what you decide, we hope that the Inland Steel Company will be a part of your future. Many graduates are currently involved in successful careers here at the Harbor Works as part of the nation's basic steel industry.

Steel mill work today is highly complex, involving automated production lines which require people who can be trained in skilled jobs. Most of the jobs are involved directly in the steelmaking process while others are available in the laboratories or in various departmental offices. Regardless of your interests, excellent opportunities exist with Inland Steel.

In addition to excellent paying jobs and an outstanding benefit program, Inland offers a variety of on-the-job training programs plus the Purdue-Inland Program. This Program, offered to a full time employee, provides training in the areas of steelmaking, mechanics, and electricity.

Plan now to investigate the many opportunities for your future with Inland Steel Company.
